Book Bag & School Supplies Program

Head Start & Bright Stars Programs

Head Start/Bright Stars teachers tell us that the students will be supplied with everything they need for class. However, these children see older siblings go off to school in the morning with backpacks. To prepare them for future success, FISH's goal is to ensure these 3, 4 and 5 year olds experience the thrill of going to school with their very first book bag.

If you chose, or have been assigned a Head Start/Bright Stars student below are some suggested items that will prepare the child for the exciting journey into learning.

Basic Supplies

- 1 Small Back Pack (very small)
- 1 Composition notebook
- 1 Box of crayons
- 2 Large pencils
- 1 Ruler

More ideas:

- Coloring book
- Sticky notes
- Deck of cards
- Uno
