

Head Start & Bright Stars Programs Supply Lists

- ☐ 1 Backpack
- ☐ 1 blanket for nap

Head Start/Bright Stars parents are only asked to provide their child with a backpack and blanket for nap; however, these children see older siblings go off to school on the first morning with backpacks full of supplies.

To prepare them for future success, FISH's goal is to ensure these 3-, 4- and 5-year-olds experience this same thrill.

If you chose, or have been assigned a Head Start/Bright Stars student below are some suggested items that will prepare the child for the exciting journey into learning.

Basic Supplies:

- 1 composition notebook, wide-ruled
- 1 box of crayons
- 1 box of washable markers
- 2 large pencils
- 1 16-20oz reusable water bottle (not disposable; to be used and sent home to wash and refill daily)
- 1 box of tissues
- 1 container of Clorox wipes

More ideas:

- Coloring book
- Sticky notes
- Deck of cards
