

Fauquier FISH Book Bag & School Supply Program School Supply Lists

High Schools

Fauquier High School

Liberty High School

Kettle Run High School

Unlike elementary and middle school students, high school students won't be given a supply list until they attend their first day of classes. We've surveyed local high schools to find their most common needed items to create this list. Local students will be enrolled in 4 classes during the first semester and a new set of classes during the second semester.
