

# Fauquier FISH Book Bag & School Supply Program School Supply Lists

## **MM Pierce Preschool (VPI & Early Childhood Special Education)**

### ☐ **1 Backpack**

MMP preschool parents are only asked to provide their child with a backpack and change of clothes; however, these children see older siblings go off to school on the first morning with backpacks full of supplies.

To prepare them for future success, FISH's goal is to ensure these 3-, 4- and 5-year-olds experience this same thrill. If you chose, or have been assigned a MMP preschool student below are some suggested items that will prepare the child for the exciting journey into learning.

#### Basic Supplies:

- 1 composition notebook, wide-ruled
- 1 box of crayons
- 1 box of washable markers
- 2 large pencils
- 1 16-20oz reusable water bottle (not disposable; to be used and sent home to wash and refill daily)

#### More ideas:

- Coloring book
- Sticky notes
- Deck of cards
- Uno
