

Fauquier FISH Book Bag & School Supply Program School Supply Lists

C H Ritchie Preschool

- **1 Backpack**
- **1 reusable water bottle**
- **1 towel/mat for rest**

CHR preschool parents are only asked to provide their child with a backpack, rest towel/mat, and water bottle; however, these children see older siblings go off to school on the first morning with backpacks full of supplies.

To prepare them for future success, FISH's goal is to ensure these 3-, 4- and 5-year-olds experience this same thrill. If you chose, or have been assigned a CHR preschool student below are some suggested items that will prepare the child for the exciting journey into learning.

Basic Supplies:

- 1 composition notebook, wide-ruled
- 1 box of crayons
- 1 box of washable markers
- 2 large pencils
